INSIDE FREITAG

HISTORY

Back in 1993, graphic designer brothers Markus and Daniel Freitag were on the lookout for a messenger bag. The FREITAG brothers wanted a heavy-duty, functional and water-repellent bag to carry their designs.

FROM TRUCK TILL BAG

FREITAG gives used materials off the street a new life as unique bags. Of course, such reincarnations (we like to call them a type of "technical recontextualization") are a highly complex operation that only one crew in the world has mastered completely.
